

Invitation to the Premiere Cobra Mill Desk 5

Biebergemuend, in May 2016

Now it will happen:

We have smarten up our technology center, to show you the new products of milling machines, 3D printers, scanning and materials.

Let us use this excellent opportunity to share experiences to be even more successful together.

***Friday, 3rd of June 2016 from 10:00 a.m. and
Saturday, 4th of June 2016 from 09:00 a.m. until 14:00 p.m.***

Are our doors wide open for you.

We will show our innovations from our own development. Take the opportunity learn about the latest technology.

Our employees are present all day and are looking forward to welcome you.

You are cordially invited to come to us, enjoying these days together and to be pampered.

*A casual clothing will be enough for the occasion.
Food and drinks are taken care of.*
